

Mrs. Parker's Friday letter for June 11, 2010

Dear Parents,

Our helpers for this week were Lucas, Cody, Braeden, Jazmyn, and Dylan. This week our theme was Frogs. We read different books about tadpoles and their life cycle changing into a frog.

At the Science center we did a Venn diagram activity on living things and non-living things.

At math we reviewed patterning and did a coloring activity on patterning.

For Social Studies we drew a picture of our Family.

This week we reviewed letters N, O, P, Q, and R. On Monday we made noodle necklaces and on Tuesday we drew a picture of what we want to be when we grow up. (Some of us even dressed up!) Wednesday we had popcorn, Thursday we listened on quilts to a quiet song and Friday we wore a favorite color of the rainbow.

Important Dates:

Monday, June 14th-Flag Day- **wear some red, white and/or blue for Flag Day!**

Last Day of UPK Bus transportation – Monday, June 21

UPK Picnic at Mosher Park – Tuesday, June 22

PS: SHHH! Don't forget we are honoring Mrs. Lincoln on Tuesday, June 22. Please send in a little something to put in a basket to give her. Her hobbies are jewelry making and silk flower arrangements.

Thank you,

Mrs. Parker
